**SUBJECT:**

DOCKET NO. 2020-147-E - Randy and Cheryl Gilchrist, Complainant/Petitioner v. Duke Energy Carolinas, LLC, Defendant/Respondent – Staff Presents for Commission Consideration Duke Energy Carolinas, LLC's Motion to Dismiss, as well as with the Complainant's Request for Hearing.

**COMMISSION ACTION:**

We have received a Motion to Dismiss in this Docket. After careful consideration of the filings before this Commission, it appears that no claim has been made by the Complainants upon which relief may be granted. Therefore, Duke Energy Carolinas, LLC's Motion to Dismiss should be granted. However, I would note that the Complainants have made some references to potential medical concerns, and the Company's MRM Rider – the tariff under which a customer may opt in favor of a manually-read meter – has provisions for waiver of fees for medical reasons. There are some requirements for such waiver under the tariff, and I would encourage the Complainants to consider if that is an appropriate option for them.
